**\*\*\* To confirm and send order please click [Save]. \*\*\***

**Use the Print Order button at the bottom of the next page to print a copy of the order for your records.**

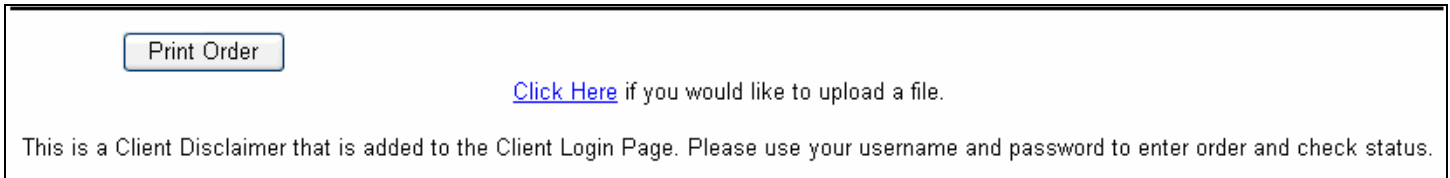

This is a Client Disclaimer that is added to the Client Login Page. Please use your username and password to enter order and check status.

7. Fill out as much information as you can on the form. Some information is required, including the Borrower's **Name, Property Address, City** and **State**.

*Note: If you try to order the appraisal without the required information, you will receive an error message notifying you that "the required information is incomplete or contains errors."*

8. When you are done completing the form, click the **Save** button at the bottom of the page.

This displays a confirmation page, where you can make sure the order is correct. On this page you can click **Print Order** and you are also able to upload files if you click '[Click Here](#)'.

A screenshot of a web page showing a confirmation area. On the left, there is a button labeled "Print Order". To the right of the button is a blue hyperlink labeled "Click Here" followed by the text "if you would like to upload a file." Below this, a line of text reads: "This is a Client Disclaimer that is added to the Client Login Page. Please use your username and password to enter order and check status."

If you need to make changes to any information, click on your browser's **Back** button to return to the previous form page, make the changes, and click the **Save** button again.

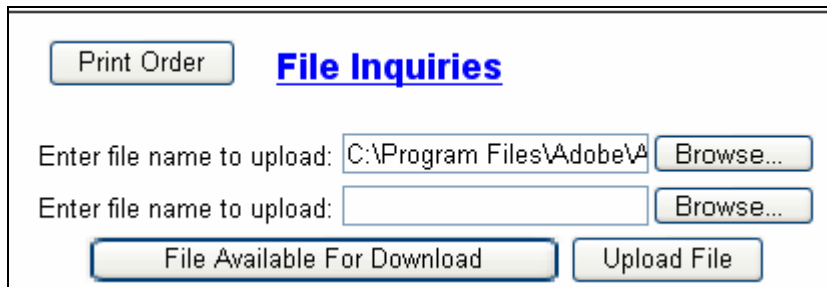

## Uploading a File

9. If you chose to upload a file and you click '[Click Here](#)' scroll down to bottom until you see the following.

A screenshot of a web page titled "File Inquiries". At the top left is a "Print Order" button. Below it are two input fields for "Enter file name to upload:", each followed by a "Browse..." button. At the bottom of the form are two buttons: "File Available For Download" and "Upload File".

- a. To upload a file you want to click '**Browse**' and locate the file on your computer.
- b. Once you locate the file you want to double click on the file or click '**Open**'
- c. The selected file will then generate in the browse field. Like shown below.

A screenshot of the "File Inquiries" page, similar to the previous one, but with the first "Enter file name to upload:" field containing the text "C:\Program Files\Adobe\A". The "Browse..." button next to it is highlighted.

- d. Once your file name is entered click **Upload File** and it will attach to the order.

***NOTE:*** There are two browse buttons to allow you to upload two files at the same time.

# Searching Orders

eTrac includes a flexible search utility so you can locate orders by file number, address, borrower and loan number.

1. Click the **Search** tab at the top of the page. The Search menu displays along the left edge of the page.
2. From the Search menu, select the type of search you want to perform and click the appropriate button.

<b>File Search</b>	Enter the exact file number you are looking for in the <b>Enter File Number</b> text box and then click the <b>Search</b> button. File searches will find only results that exactly match your search criteria. For example, searching for “12” will NOT return file #112.
<b>Address Search</b>	Enter all or part of the address you are searching for in the <b>Enter Property Address</b> text box and then click the <b>Search</b> button.
<b>Borrower Search</b>	Enter all or part of the borrower’s name that you are searching for in the <b>Enter Borrower Name</b> text box and then click the <b>Search</b> button.
<b>Loan Search</b>	Enter the exact loan number you are looking for in the <b>Enter File Loan #</b> text box and then click the <b>Search</b> button. Loan searches will find only results that exactly match your search criteria. For example: Searching for “10” will NOT return loan #1102.

***Note:** Searches can be as general or specific as you want, and they are NOT case sensitive. For example, if you are searching for a borrower and enter “rob” as your search word, it will find any borrower whose name includes those letters, such as Robbie, Roberts, and Jarobski.*

*In this example we are searching by Borrower Name.*

Enter Borrower Name

*Searches are not case sensitive and can be as general or specific as you want.*

After you click the Search button, any files that match your search criteria are listed. The top line of the report shows you how many results were found.
